NEGATIVE OXYGEN IONS

Unique designed negative ion generator near the head, release fresh negative ion continually, effective air purification, activation of cells and enhance immunity.

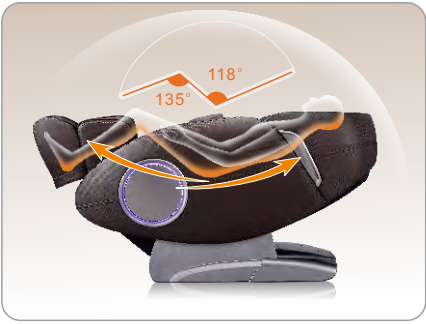

ZERO SPACE

Designed with one button to move smoothly and unique forward slip, Massage chair can be fully opened only with 5cms distance to the wall, In turn, in the process of realizing the function of 22cm, forward, to abandon the traditional massage chair reserved by the wall space! The seat will slide forward, when it is tilting you may feel a sense of floating.

ZERO GRAVITY

When zero gravity mode starts, there is about 118° angel of elevation between body and feet. The position of thigh and calf are higher than heart position. The gravity of each body part will distribute average on massage chair to make pressure on body fully release. It makes you under weightlessness condition and enjoy perfect relaxation without any restrict.

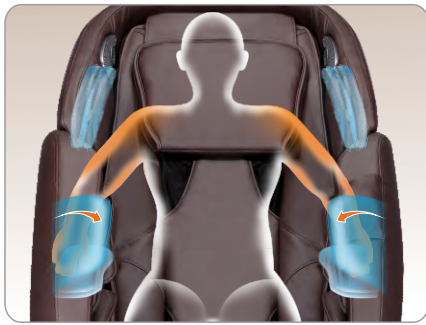

"SL" SHAPE CURVED RAIL

Combined with human engineering and studied super long "SL" shape space curved rail technology, Massage distance is 135cm, makes you enjoy personal massage from the head to the leg, helps to maintain the human body vertebra "S" shaped curve, achieves relaxing the spine and relieve tense muscles.

LINE TYPE ARM MASSAGE

Innovative line type arm massage, Set with 12 arm airbag according to the human arm curve to do air pressure massage focus on hand sanli point, neiguan point with pulse air pressure massage, provide you rhymed pulse point stimulate, completely relaxed from arm to fingers, refresh yourself.

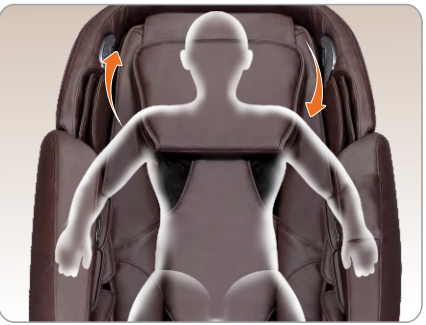

CARBON FIBER FAR INFRARED HEATING

40°C-50°C back heating function can relieve coldness and pain on your back. The emissive far infrared wave length coincides with human body wave length, so the energy can be absorbed by human cell, which can activate cell and promote metabolism.

ADJUSTABLE HEAD CUSHION

Three-folded design of the pillow, more comfortable to use, it is adjustable freely within 10cm, to fit for different body height. The back inner cushion fixed on chair's back outer cushion by zipper, enhance or weaken the massage strength on back are you need, enjoy more comfortable massage.

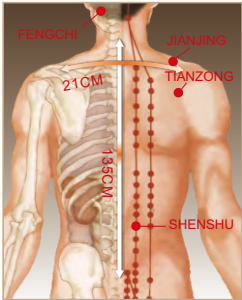

WITH HEALTH WITH FUTURE

Healthy body must come the first thing
Better health better future

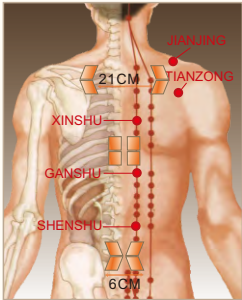

INTELLIGENT MECHANICAL
MASSAGE HANDS
Massage

Intelligent mechanical massage hands continue gathering curve data on the back and imitate professional masseur massage skill to realize multidimensional and aspect stereo massage. Intelligent massage hands imitate professional massagist method to do the following massage action: knead, squeeze, flap, press, push, hold, swing and twist. The maximum stretch space is 6.5cm, and the maximum stretch angle is 41 degrees, so the mechanical hands can do effective massage to human cervical vertebra thoracic vertebra and lumbar vertebra. This method can guarantee back can get even strength massage, can compared with professional massagist method, refresh yourself and relieve your fatigue.

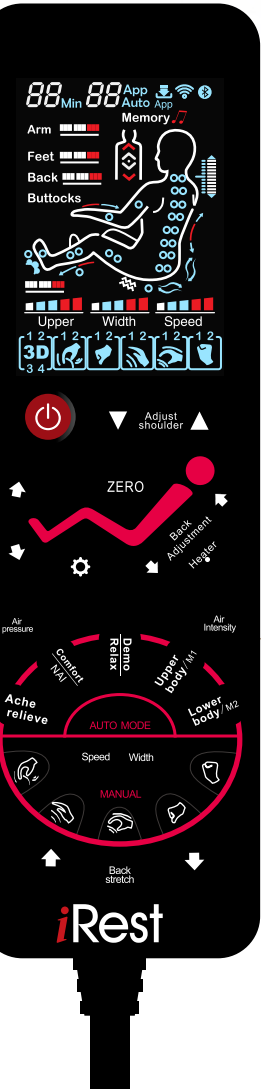

BACK MESSAGE RANGE

Intelligent mechanical hands can move up and down on neck, shoulder, back and waist. They can automatically induce human curve and the range can be as wide as 21cm, vertically route 135cm, full cover with human back.

BACK WIDTH ADJUSTMENT

S" shape curve supporting body is a combination of back massage structure combines human engineering principle, so it can make back massage accurately positioned. The width can be adjusted from 6 to 21cm, with three levels.

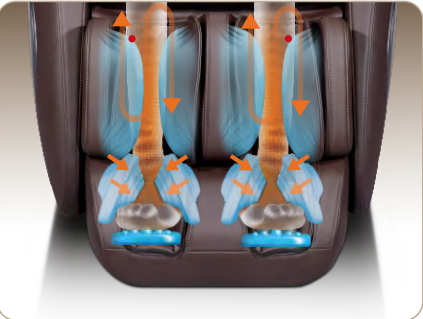

FOOT MASTOID GUASHA MASSAGE

Emulational hand touch with advanced roller technology can supply Guasha massage like professional massagist, With 3cm travel, massage focus on Yongquan point on sole, no matter by gently steady massage but also gradually strong massage can bring unprecedented comfort and enjoyment.

LEG AIRBAG MESSAGE

Different shape airbags completely pack calf, ankle and foot to bring you triplex enjoyment. Compression, pause and release air pressure method in turn to stimulate Xuanzhong and Taixi accupoints can bring you perfect comfort and harmony.

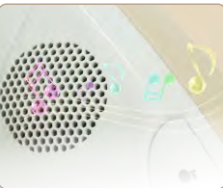

MEMO MODES

The individual memory functions will meet you and your family memebers' requirement on specially designed massage methods. Any massage methods and functions combination you and your family members choice can be stored in corresponding keys through M1\M2. That will dispel fatigue after exercise and give you and your family a strong body. You only need to press the button for two seconds, after heard the drip sound, enter into automatic memory mode.

WHOLE MACHINE LINKAGE

Set with double motors stepless adjuster, combined with back and leg two parts linkage function, the angle can be adjusted as you need, to make you fully relaxed and free massage experience.

3D AUDIO SPEAKERS

Immerse yourself with your favorite music with the 3D audio speakers. when in use it sounds as if the music is being played all around you for the ultimate 3D experience.

12 POINTS COMFORTABLE PHYSICAL THERAPY
Make Your Full Body Filled With A Sense Of Euphoria

FENGCHI POINT
